Approve Minutes for April 22, 2009.

Motion carried to approve the minutes of the April 22, 2009 as presented.

Old Business.

- a. Bike Trails – Update from Duane; Warren completed the paperwork and submitted.
- b. Response from Board regarding Saylor letter. – Board decided not to pursue this late in the game. We will request a response from the County at the time of the issue if this comes up again. Communication with the Board needs to be much closer and specific.

New Business.

- a. Wetland Presentation by Stephens – Presentation and to seek if we are protected in the Township. The DEQ protects areas of 5 acres or more. Do we want to protect the less than 5 acre wetlands as the Township? We could put an ordinance in place.

Stephens is proposing the Township enforce this as the Township and ask the County to help the process through permitting.

The process needs to start with the County. The County Officer Meeting is the next step we will try to get on the Agenda and Vern can help present the case of the ordinance.

Nickols will talk to Adam Stacey and Dan Leonard regarding the ordinance and inviting them to the next meeting.

Public Comment.
