Supervisor: Jim Conklin

I have been a lifelong Laingsburg resident and bought my home in Victor Township in 1999. My wife and I have 4 children ages 21, 16, 11 and 8. We own and operate a commercial masonry company employing 25-30 union masons and laborers. Our company has worked closely with local businesses and government for several years on preservation and restoration projects. I have also worked closely with the City of Laingsburg to purchase property for rehabilitation through my development company. When my wife was appointed Victor Township Deputy Clerk, and shortly thereafter appointed as Clerk, I became increasingly interested in local government. I look forward to serving the residents of Victor Township.

I was raised in Laingsburg and graduated from Laingsburg High School. After High School I attended Baker College in Owosso where I earned a Bachelor's Degree in Accounting. After college I worked at Coca-Cola until my husband Eric and I started our family. We have four wonderful children. My fulltime employment, that began in 2000, is with the City of Laingsburg. I serve as the Clerk/Treasurer. I was appointed Victor Township Clerk in 2012 and first elected Treasurer in 2016. I will continue to serve the Victor Township residents to the best of my ability.

After growing up in nearby Bennington Township, I attended Michigan State University and graduated with a Master's degree in Mechanical Engineering. I enjoyed a career in medical device design and marketing at Stryker Instruments in Kalamazoo, MI. I have lived in Victor Township for 9 years and served on the Planning Commission for the past 6 years. I like spending time with family, getting outdoors and being a part of a small rural community.

I grew up in rural Lapeer County and graduated from Lapeer West High School. I then attended Michigan State obtaining a Bachelors and Master's degree in Civil Engineering. I moved to Victor Township 24 years ago when I purchased my first home. I have served on the Board as a Trustee for nearly three years and the Planning Commission for 4 years. I enjoy riding and showing my Appaloosa horse and playing clarinet in community groups. I am looking forward to serving another 4 years on the Township Board.
