In a 2020 survey Victor Township residents identified the need for better internet service as their top priority. We heard you and are working hard to make this happen. Victor Township has applied for a grant through National Telecommunications and Information Administration to bring high speed internet to the township. We have not received the award results yet. We may need additional information from you as the process moves forward. Please visit www.victortwp.org for updates.

AREA-WIDE RECYCLING CENTER TO OPEN SOON!

The Greater Laingsburg Recyclers are finally looking at a December 2021 opening of the new area-wide recycling facility on Woodbury Rd., created through a partnership of the GLR, the City of Laingsburg, and Laingsburg Schools. The service is open to all; donations are appreciated.

While recycling drives have always been held the second Saturday of each month, 9 a.m. to 1 p.m., it is hoped that the new facility can be open twice a week *providing we have enough volunteers*. Please consider donating a couple hours of your time once or twice a year (or more if you like!). More information can be found on the website - <https://recyclelaingsburg.wixsite.com/mysite> or Facebook page, or by calling Terry or Ellen Link at 517-651-2005 or Beth Lange at 651-6437.

The GLR is dedicated to reducing waste and protecting our environment and natural resources. To that end, we urge everyone to REDUCE (your consumption), then REUSE, then RECYCLE. At present we collect the following clean materials (we hope this list will expand once operations are up and running):
